MVI & NB Inspections FOR CARS, TRUCKS, TRAILERS & RVs

FYI: What does Mark check during an NB Inspection?

- | | |
|---------------------------------------|---------------------------|
| 1. The body, and seat belt assemblies | 7. The exhaust system |
| 2. The windshield and windows | 8. The brake system |
| 3. The horn | 9. The steering system |
| 4. The windshield wipers | 10. The suspension system |
| 5. The rear-view mirror | 11. The wheels and tires |
| 6. The lighting systems | 12. The coupling system |

*Happy February
Mark and Darcy*

We offer **WARRANTY APPROVED Oil Changes** starting \$39.95 for regular oil and \$59.95 for synthetic! DEXOS approved.

Tip of the Month: Owners Manual

Your vehicle's owners manual is a great tool! Have you read your owners manual lately? Your vehicle's owners manual is a great tool, it provides you with so much information about your car. The owners manual lists when your vehicle needs preventative maintenance, what your tire pressure should be, even how to get your vehicle to stop locking your doors when you put it in gear. Take it out and have a quick peak some rainy day, you'll be surprised what you will learn!
