**REBATES NOW AVAILABLE ON
YOUR FAVORITE BRANDS!**

Ask for our Spring 2017 Tire Flyer.

Spring is coming to Carleton County and with it it's bringing maple syrup, fiddleheads and..... pot holes! While fiddle heads and maple syrup might be something to look forward to, potholes are not. Potholes can be dangerous to your vehicle's tires and suspension system. If you notice any new noises or squeaks after hitting a pothole give us a call asap, we'll help you get back on the road in no time.

*Happy Spring

Spring Tip: **Cabin Air Filters**

Cabin Air Filters clean the air you and your family breathe inside your vehicle. If you have any seasonal allergy sufferers in your family replacing your cabin air filter is even more important
