

# It's Summertime! Time for some PREVENTATIVE MAINTENANCE

Before setting out on your summer road trip check out these tips:

### Tire Check

Make sure your tires have adequate tread to handle water on the road

### Windshield Wipers

It is recommended that you change your wipers every 6 months to prevent wear and tear that keeps you from seeing clearly

### Cabin Air Filter

With all the pollen in the air, it's a good idea to check your cabin air filter to ensure the air inside your car is clean and dust free, especially if you have allergies

### Car Wash Time

Hot summer sun is hard on your vehicle's paint – protect your vehicle, give it a good wash and wax

### Stay Hydrated

Top up all fluids including windshield washer fluid, antifreeze, oil etc...

### LOVE YOUR PET?

Leave them home – hot vehicles and pets don't mix

**BEAT THE HEAT THIS SUMMER**  
WITH HIGHLIFT AUTO SERVICE AT THE AYR MOTOR CENTER

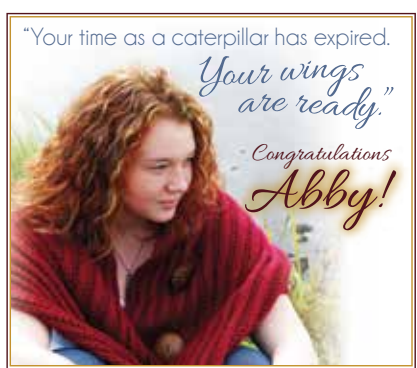

Summer Swim Schedule
